

Rajarshi Yadav

⌚ Jabalpur, India ⚡ rajarshiyadav1@gmail.com ⌂ <https://tame-credit.000webhostapp.com/>

Summary

Passionate Software Developer and IT Engineer with 3+ years of experience in technologies including DotNet, PHP, MVC, Laravel, Javascript, SQL, and Windows Apps development. Proven time-management and leadership skills. Extensive experience as a website developer. Strong ability to manage projects efficiently and effectively.

Experience

Computer Science Teacher/Lab Assistant • Ajay Satya Prakash Senior Secondary School

Mar 2024 - Present

- Taught computer science courses with a strong emphasis on Python programming and Artificial Intelligence concepts
- Developed and implemented a comprehensive curriculum that effectively conveyed the fundamentals of Python and AI to students
- Utilized interactive teaching methods, such as hands-on coding exercises and real-world examples, to engage and inspire students
- Fostered a collaborative learning environment, encouraging students to actively participate in class discussions and group projects
- Provided individualized support and guidance to students

Student • kalaniketan polytechnic college jabalpur

Aug 2019 - Sep 2022

- Successfully completed Diploma in the field of Information Technology at Kalaniketan Polytechnic College and gaining hands-on experience in various aspects of information technology.
- Assisted in developing and implementing software solutions, contributing to increased efficiency and productivity within the organizations.
- Collaborated with cross-functional teams to identify and resolve technical issues, ensuring uninterrupted operations and minimizing downtime.

DotNet Developer • JPTechnoPark

Mar 2021 - Mar 2022

- Developed and maintained web applications using DotNet framework and SQL database
- Implemented efficient database design and optimized SQL queries for improved performance
- Collaborated with a team of developers to identify and troubleshoot software defects
- Successfully delivered high-quality code on schedule, meeting project deadlines
- Utilized agile methodology to plan and prioritize tasks, ensuring timely and efficient completion of projects
- Actively participated in code reviews and provided constructive feedback for continuous improvement
- Researched and implemented best practices and emerging technologies to enhance software development process

Education

Bachelor of Technology - BTech • Shri Ram Institute of Techology, Jabalpur

Sep 2022 - Present

Information Technology

Polytechnic Diploma In Information Technology • Kalaniketan Polytechnic College Jabalpur

Sep 2019 - Sep 2022

Information Technology • Grade: 73.2%

Polytechnic Diploma in Information Technology (2019-2022)

Transformed technical skills:

- Developed a solid foundation in programming languages including HTML, CSS, PHP, JAVASCRIPT & MySQL propelling my ability to create efficient and innovative solutions.
- Mastered database management systems such as MySQL and SQL Server, optimizing data organization and retrieval processes.
- Utilized agile methodologies and version control systems like Git, enabling seamless collaboration in software development projects.

Implemented impactful projects:

- Spearheaded a team project to design and develop a web-based e-commerce platform, enhancing user experience and increasing sales by 15%.
-

Projects

Building DotNet Applications

Mar 2021 - Dec 2021

JPTechnoPark

- Developed multiple Windows software applications and complex web applications using C# as the core language
 - Demonstrated expertise in DotNet development as a passionate DotNet Developer
 - Successfully implemented innovative solutions and contributed to the development of high-quality software products
 - Collaborated with a team of developers to deliver projects on time and meet client requirements
 - Maintained a strong commitment to staying updated with the latest technologies and trends in software development.
-

Achievements and Awards

DotNet Developer Certification

Mar 2021

JPTechnoPark

- Successfully completed a rigorous 1-year certification course, specializing in DotNet framework, SQL Server, and APIs.
 - Developed a wide range of complex web applications utilizing ASP.Net, resulting in increased efficiency and user satisfaction.
 - Utilized Windows Applications to create robust software solutions, streamlining processes and improving overall productivity.
 - Leveraged advanced programming techniques to optimize performance and ensure seamless functionality of web and desktop applications.
 - Demonstrated strong problem-solving skills by troubleshooting and resolving technical issues promptly, minimizing downtime.
 - Collaborated with cross-functional teams to gather requirements, implement changes, and deliver high-quality software products.
-

Skills

PHP Full Stack Developer, HTML,CSS,Javascript., Laravel Developer, DotNet Developer
